SQU-051-26

Mohamed Ezzat Beck, Managing Director
Fire & Hazard Control Equipment Co. LTD.
Dammam
Saudi Arabia

Mr. Beck,

We are pleased to inform you that your company is included in the Saudi Aramco Supplier Information System under Vendor Code No. **10006204**, and plant ID **30008416** for the products listed in attachment 1, provided your company continues to meet relevant Saudi Arabian and Saudi Aramco standards.

This approval, however, should not be construed as a commitment by Saudi Aramco to purchase from you. Being approved as a supplier only grant your company the opportunity, along with other approved sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All purchase agreements and orders will be issued based on the name and address stated in your commercial registration (CR), as stated above.

Please note that evidence of representation from your supply source(s) must be supported by letter(s) of confirmation stipulating the territorial coverage and specific product lines involved. Your supply sources must have been accepted as qualified suppliers of the range of materials that you wish to supply. It is also important that you advise us immediately of any changes in the agreements which you have negotiated with your supply sources and/or any changes in your contact information such as postal address, telephone and fax numbers.

For linking applicable 9CATs or assistance, please communicate with the Supplier Help Desk on (013) 874-2222 or on SupplierHelpDesk@aramco.com

Mohammed Alshuayl, Supervisor Supplier
Qualification Unit

It is the responsibility of the supplier to notify Saudi Aramco Supplier Relations Management of the following:

1. Change of Name/ Address/ Owner(s)
2. Any change of the supplier location (sub sourcing fabrication of major components)
3. Discontinue of fabrication or supply of approved commodities (9COMs, 9CATs and/or MSGs)
