--

Glass Filler Faucet

Models

5551

Eye/Face Wash and Handwash Station

Models

7660, 7661

Note:

1) Note: - All models were evaluated to be compliant to the US and Canadian Plumbing codes including UPC, IPC, and NPC.

2) The above listed models may have a suffix appear adjacent model number. This indicates minor modification which does not affect the basic function and conformance of the products.

3.) Models preceded with a "*" are for Hazardous Locations models only, listed under Class 9098-01/81, which are the same as the 7501 & 7603 Series but with a heating blanket rated for hazardous locations.

4.) Models with a superscript "1" have no electrical components included; base mechanical model only.
